Out and About with Trout

In an effort to reach out to citizens, City Manager Brent Trout is starting a mobile office. The mobile office will give citizens a chance to interact with the City Manager and share their concerns outside of city hall. The mobile office will take place once a quarter. Citizens can set up a fifteen minute meeting by

calling the City Manager's office. Open hour timeslots will also be available for anyone wanting to drop in. The first mobile office will take place on April 15th from 1 p.m. to 4 p.m. at Juli's Coffee and Bistro on 110 SE 8th Ave. Citizens should contact the City Manager's office to make a 15 minute appointment for the mobile office at 785-368-3725 or email kbaker@topeka.org

Topeka in Two: Performance Portal

Performance Portal

Check out the performance portal on the City of Topeka website! The performance portal takes data from six categories that includes street maintenance, public safety and property maintenance. Check out more here: <http://performan>

Recent Updates

- There have been 2 broken water mains in April with 124 breaks year to date. At this time last year there were 151 water main breaks.
- Post cards are being mailed out to last years weed violators reminding them of our code and asking them to team up with us to keep their neighborhood clean.
- Water Pollution Controls annual flood system maintenance has started this month.
- The Street Department has filled 3,169 potholes; 17,209 so far this year.

Pavement Condition Index and Performance Portal

Have you checked out the City of Topeka Performance Portal? The [Performance Portal](#) allows you to look at what the City of Topeka is doing with infrastructure, public safety and in neighborhoods - along with several other initiatives.

The City uses data based decision making for road construction. [The Pavement Condition Index](#) or PCI is used to determine the condition of the roads and make decisions on which roads should be repaired and what level of maintenance is needed. This keeps our streets in good condition for longer by addressing the highest needs first.

EAST END NEIGHBORS

We are celebrating the East End Neighborhood by bringing Team Up to Clean Up to you. You are one of two neighborhoods chosen this year and we are excited to partner with you for full concentration on your neighborhood.

- Brent Trout, City Manager

During the months of March and April City of Topeka staff will be in the neighborhood assessing the needs. Opportunities for residents will include personalized DIY classes from Habitat for Humanity, Resource Guides, Fire alarm installations and much more.
