## Cowabunga!

[Camp Cowabunga's](#) ground breaking was held at the Topeka Zoo on July 6, 2017. Special guests, including emeritus Gary Clarke, were there to tell us about the history and future of the African safari experience coming next year to our Zoo community.

The public campaign to finish the fund-raising for Camp Cowabunga will begin within the next few days. Nearly 14,000 letters are being sent to current and past Friends of the Zoo members asking for their support. Cumulus radio stations will ask listeners to get involved. Other small community fundraisers are in the planning stages.

More information on donating can be found on the Camp website at <http://www.campcowabunga.org/donate/>.
